2005 Values

"When your **values** are clear to you, making decisions becomes easier."

-Roy Disney-

Benedictine Values

Saint Leo University
Offers practical, effective model for life and leadership in a challenging world. As such our community has adopted six steadfast moral guidelines to help us recognize the dignity, value and gifts of all people. The following six Benedictine Values are an intricate part of all of our lives here at Saint Leo University. We encourage all members of our community to use and emrace these values in their day to day lives in order to strengthen our commitment to one another, our University, and to God.

Benedictine Values

EXCELLENCE

Saint Leo University is an educational enterprise. All of us, individually and collectively, work hard to ensure that our students develop the character, learn the skills and assimilate the knowledge essential to become morally responsible leaders. The success of our University depends upon a conscientious commitment to our mission, vision and goals.

COMMUNITY

Saint Leo University develops hospitable Christian learning communities everywhere we serve. We foster a spirit of belonging, unity and interdependence based on mutual trust and respect to create socially responsible environments that challenge all of us to listen, to learn, to change and to serve.

RESPECT

Animated in the spirit of Jesus Christ, we value all individuals' unique talents, respect their dignity and strive to foster their commitment to excellence in our work. Our community's strength depends on the unity and diversity of our people, on the free exchange of ideas and on learning, living and working harmoniously.

PERSONAL DEVELOPMENT

Saint Leo University stresses the development of every person's mind, spirit and body for a balanced life. All members of the Saint Leo University community must demonstrate their commitment to personal development to help strengthen the character of our community.

Responsible Stewardship

Our Creator blesses us with an abundance of resources. We foster a spirit of service to employ our resources to university and community development. We must be resourceful. We must optimize and apply all of the resources of our community to fulfill Saint Leo University's mission and goals.

INTEGRITY

The commitment of Saint Leo University to excellence demands that its members live its mission and deliver on its promise. The faculty, staff and students pledge to be honest, just and consistent in word and deed.

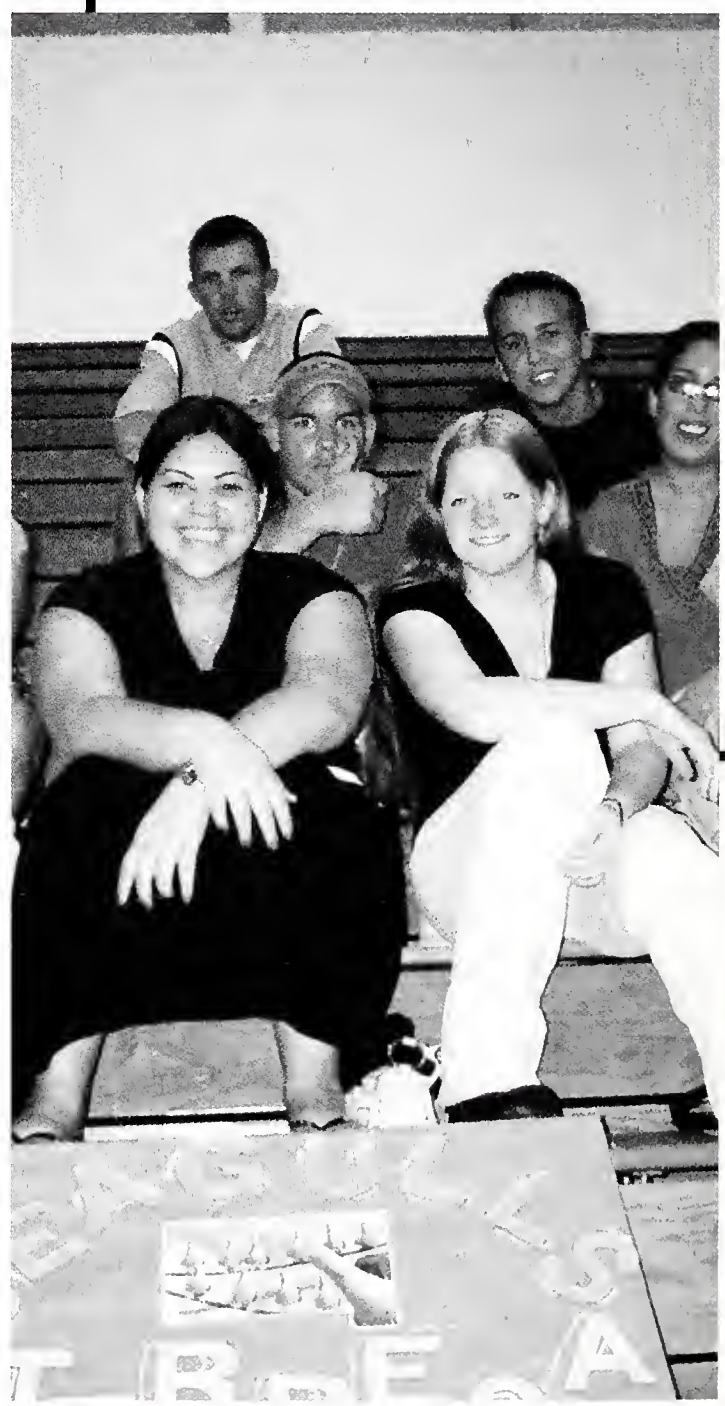
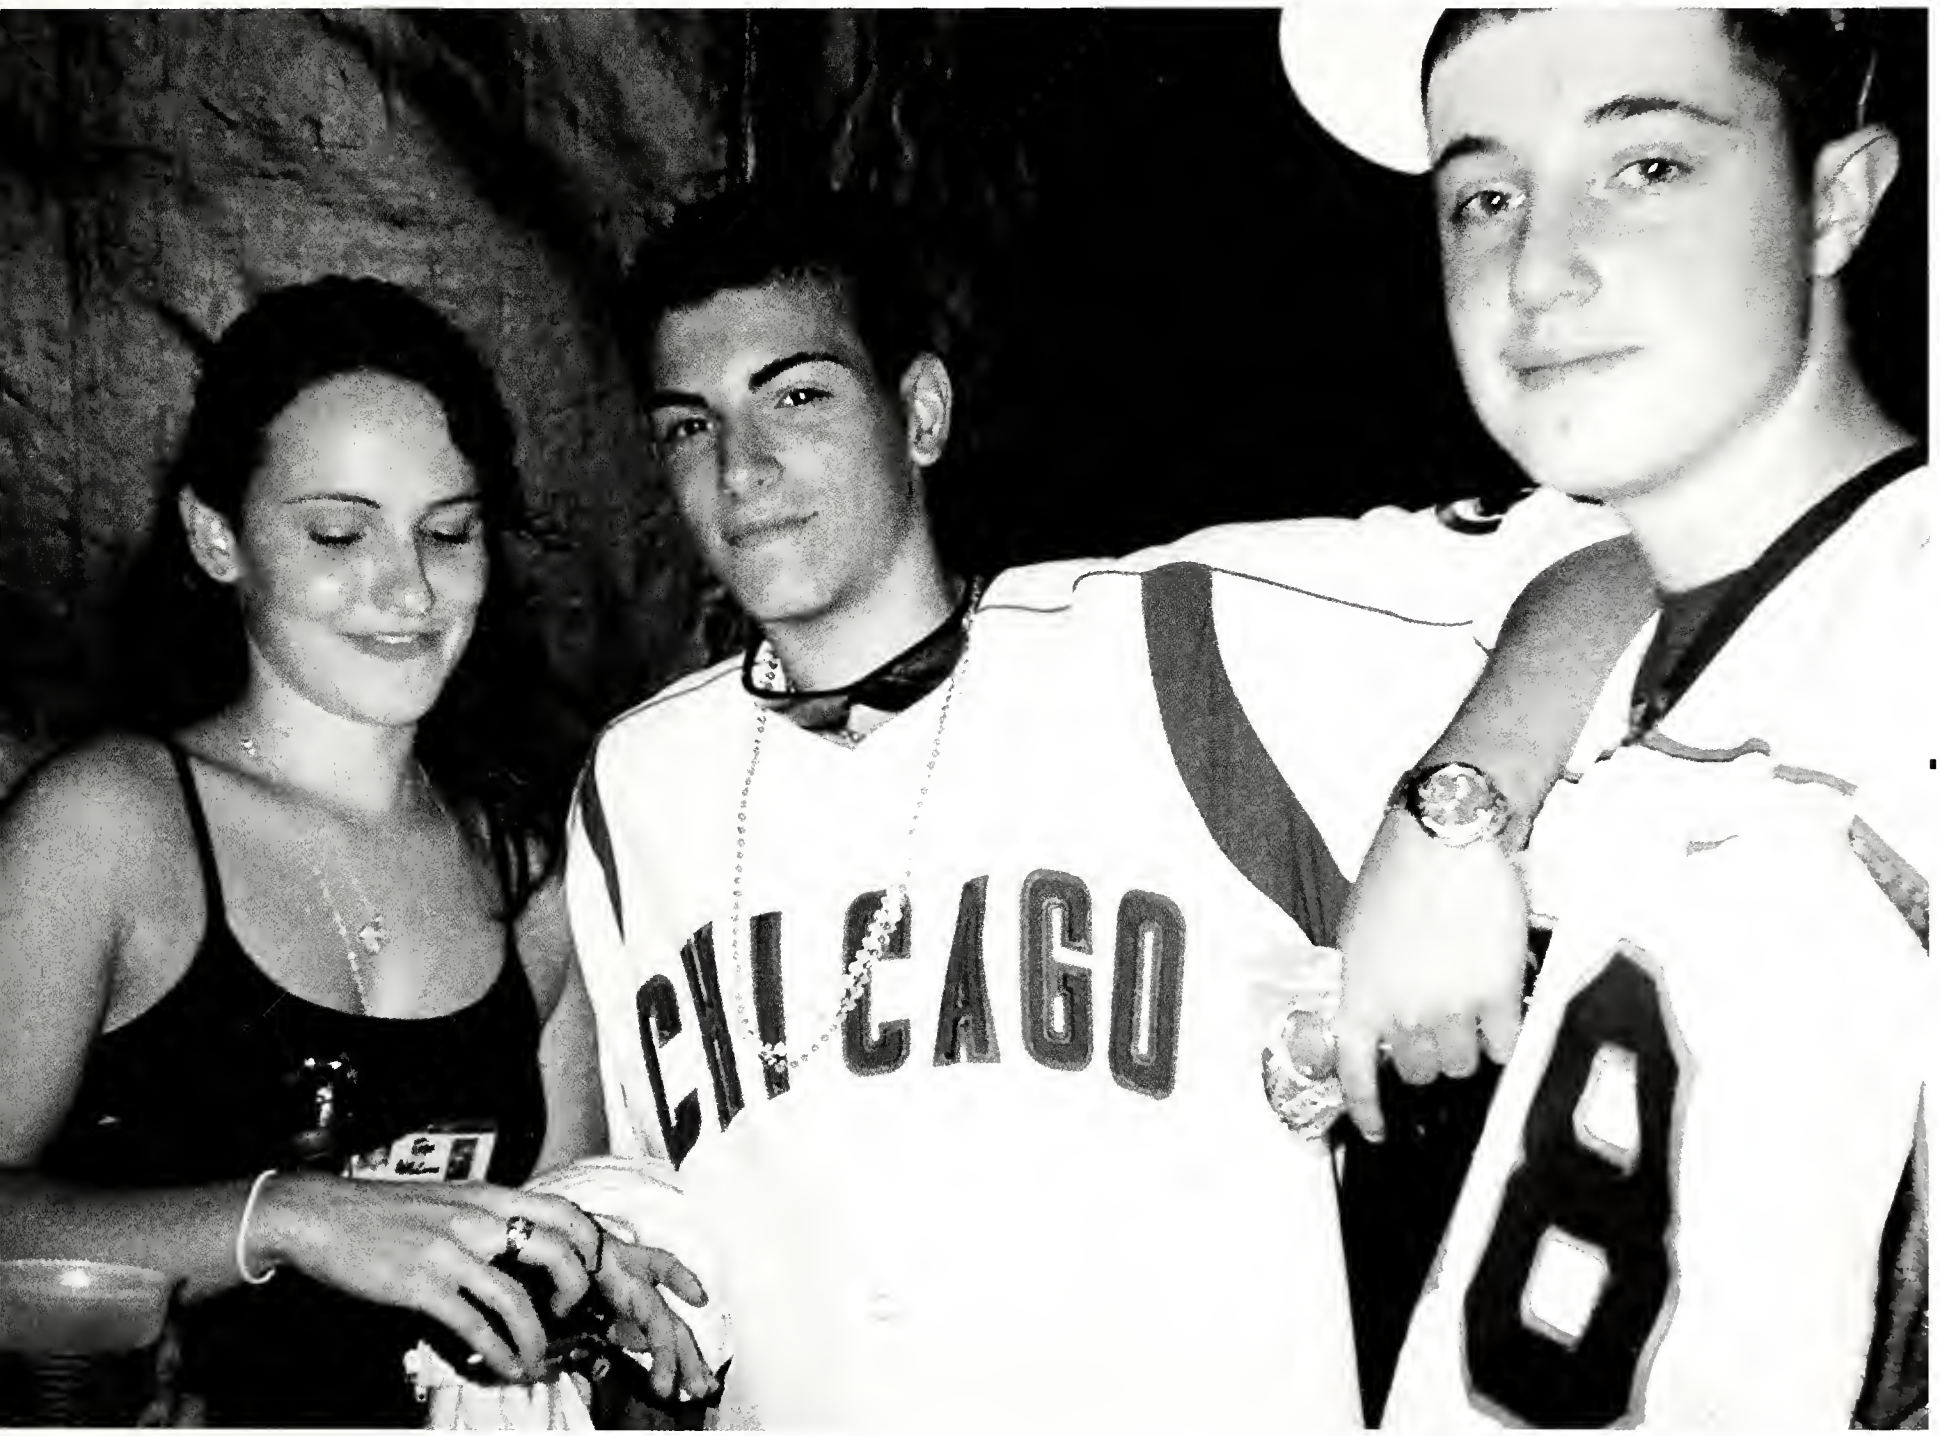
Freshmen Orientation

Saint Leo emersed the freshmen population immediately into the core values by expecting them to build RESPECT for each other and foster COMMUNITY by participating in orientation events. The events challenged them to let go of their inhibitions and form bonds with eachother. It is through these bonds that friendships were made, leaders shined, and Saint Leo started to feel a little more like home.





CHICAGO

Fall Family Festival

"Under the Big Top" was the theme of this year's Fall Family Festival. Parents, siblings, grandparents, and friends were invited to attend the annual festival and enjoy the clowns, elephants, rides, and food. This weekend offered students a chance to spend quality time with their missed family members or to simply just come and enjoy the free fun.

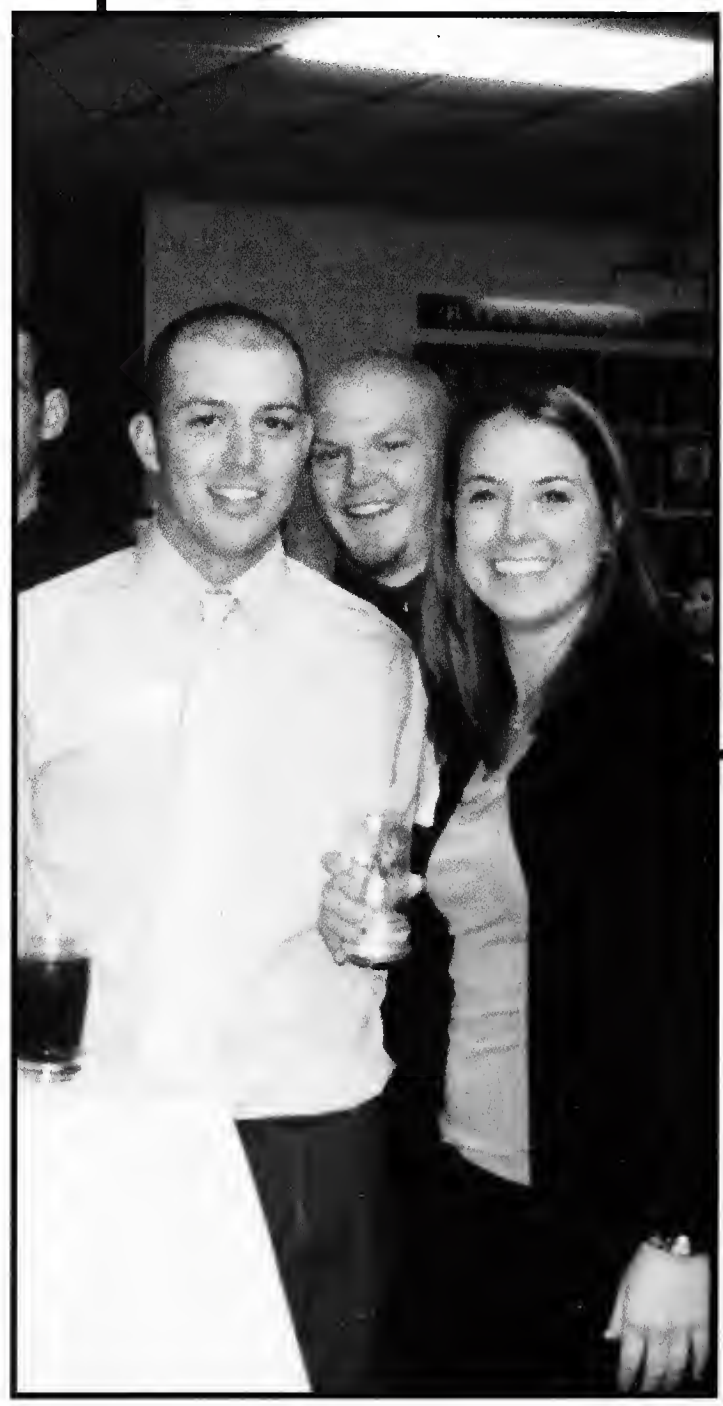
The department of Career Services provides students the opportunity to enhance their Excellence and Personal Development. This department has annual career fairs, resume consulting, and events such as the etiquette dinner which prepare students to enter the work force. Students were required to attend the event wearing business attire. A guest speaker informed the students about proper dinner etiquette when in formal business settings as the students enjoyed a catered meal.



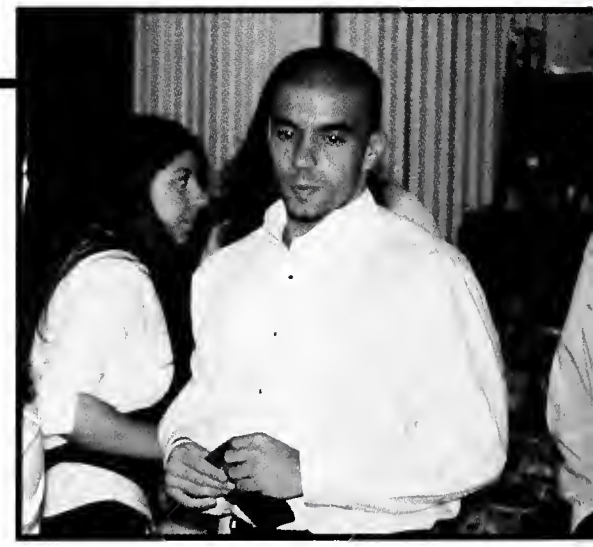
Foster Children Halloween Party

Each year Kappa Lambda, now Tau Kappa Epsilon, hosts a foster children halloween party in conjunction with the Samaritans. Costumed children come from around the area to bob for apples, do arts and crafts, create their own cookies, and spend time with members of the Saint Leo University Community. This event is an admirable example of how students integrate Responsible Stewardship into their organizations and personal lives.

Casino Night

Casino Night, spearheaded by Residence Life, is the program of the year at Saint Leo. Every department on campus donates items to be raffeled off at the end of the night. Students go from table to table gambling, playing bingo, and answering trivia questions to gain chips. The chips are exchanged for raffle tickets and when the gambling ends the night has just begun. Anxious students wait to hear their named called as prizes are held in the air for all to see. The winners leave with their prizes and everyone leaves with the anticipation of being able to win next year.

Casino Night



Mission Trip To Haiti

The Missoin Trip to Haiti, sponsored by University Ministery, asks students to give of their time, body, and spirit.
